President's Corner

Howdy, Salty Aggies!

It has been quite a year! The Nueces County A&M Club is thriving despite the obstacles 2020 presented, and we credit that to our dedicated membership. We held Muster virtually via Facebook in April and experienced our first “socially distanced” happy hour in September. We created club fishing shirts and opened our first online store as a way to keep raising funds for our mission. Because of you, we are able to once again award 4 scholarships this year at our annual golf tournament. To all those who helped make this possible, on behalf of the board of directors, I say “thank you”!

I have been an active member of this club for a few years now, and I am honored to be serving as president of the board for the 2021-2022 club year. As a Corpus Christi native, I have experienced the greatness of the Aggie Network throughout the Coastal Bend, and I’m proud to be able to serve this community for the next year. In addition to being president, I will once again serve as the golf tournament’s chairperson, an event I know many club members look forward to each year.

We have an exceptional group of volunteers serving as board members and event chairpersons this year. I am excited to see what they will contribute to all of our events this year. We are in full swing with events, and I want to personally invite you to join us at each one this year. The current schedule of events is on the front page of this newsletter.

Our organization’s mission states that we exist to promote fellowship among Aggies and raise funds for scholarships for students. Our endowed scholarship, the George Puls, Jr. ’44 Memorial Endowed Scholarship, is available each year to high school seniors graduating from schools throughout Nueces County. After the initial generous endowment from the Puls family, the club makes contributions to this fund each year based on our fundraising efforts. We applaud those who have already paid their dues and made donations above and beyond for this year, and I encourage those that are able to consider paying the annual club dues for 2021-2022. This process is made easy by visiting our website: www.saltyaggies.com/membership

I look forward to seeing you and talking with you at our upcoming events. If you have any questions or would like to speak to me, please email me at bwthomas91@gmail.com.

Gig’em & God Bless!

2020 Scholarship Recipients

Because of your financial contributions throughout 2019, we were able to award 4 scholarships for incoming freshmen! We weren't able to celebrate these recipients in person, but we sent them to College Station with plenty of Aggie gear!

Taylor O'Brien '24 – NCAMC Scholarship Recipient, Agribusiness
Sierra Korenek '24 – NCAMC Scholarship Recipient, Biochemistry
Reagan Hoelscher '24 – George Puls Jr '44 Endowed Opportunity Award, Biomedical Sciences
Lukas Graf '24 – George Puls Jr '44 Memorial Endowed Scholarship, Engineering

We had the privilege of awarding 4 scholarships to students from Nueces County this past spring! Normally, we would recognize them at our golf tournament and send them off with swag bags, but this year looked a little different. Each student received a box of goodies mailed to College Station during the start of their semester this fall!

We are incredibly proud of these students representing Nueces County in College Station and look forward to their future successes!

Annual Spring Crawfish Boil

Big thank you to our crawfish boil sponsor, Derek Chang '07, for hosting and helping cook that day! Our other chef for the event was Jeremy Berry '02! Thanks, guys!
