6. Anglers must be present to be eligible for prizes on Saturday.
7. This tournament focuses on fun and fundraising for the club. Professional anglers and/or full-time fishing guides may be hired by registered participants but CANNOT fish themselves. If it is determined a professional angler/guide service has fished or provided a registered participant with a qualifying fish, the registered participant(s) will be disqualified.

8. Tournament fishing times are 6am to 4pm Saturday July 30, 2020. No Captain's Meeting or check-in required prior to fishing.

The fish weigh-in location is at Marker 37 Marina, 13317 S Padre Island Drive, Corpus Christi, TX 78418. Weigh-in will open at 2 PM and close at 4 pm CST. Anglers must weigh in their fish between 2 PM and 4 PM or be in line with their fish at 4 PM in order to qualify for tournament prizes or side pot prizes. The last person in the weigh in line at 4 PM will be identified according to the tournament director's watch and no subsequent fish may be entered.

9. All state and federal laws must be observed. Fish must be of legal size according to Texas Parks & Wildlife Department (TPWD) regulations. Anglers may not enter Trout in at weigh-in. No oversized/tagged Redfish may be entered in the tournament. Each fish is eligible for both the tournament prize and one side pot prize if the angler is entered in both. One fish cannot be entered in multiple side pots.

a. Legal Fish Sizes according to TPWD for weigh-in eligible fish:

- i. Redfish: 20"- 28"
- ii. Flounder: 15" min
- iii. Black Drum: 14" – 30"

10. The winning fish in 1<sup>st</sup> through 3<sup>rd</sup> place category will be the heaviest fish by weight in pounds as determined by the tournament weighmaster.

12. The heaviest fish caught by an angler entered in the side pot will be awarded 50% of the side pot entry funds in that side pot. The heaviest stringer side pot will be awarded in the same manner. The redfish with the most spots will be awarded in the same manner.
13. The tournament weighmaster will be a professional fish handler hired to weigh in fish. If, in his/her opinion, any fish entered in the tournament was caught outside tournament fishing hours or was tampered with in order to alter weight or length, the angler entering the fish in question is subject to disqualification at the discretion of the tournament director. All decisions by the weighmaster and tournament director are final.
14. All protests, objections, or suspicions of violations of Tournament Rules must be provided to the tournament director in writing prior to announcement of the winners promptly at 4:30 PM CST. Failure to provide timely written notification will be grounds for dismissal of the objection.
